### Help for non-English speakers

If you need help to understand the information in this policy please contact the school for assistance.

### PURPOSE

Moyhu Primary School is committed to ensuring that cash handling practices are consistent and transparent across the school.

Moyhu Primary School will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipting and collection of monies and minimise the risks associated with cash handling.

### SCOPE

This policy applies to all school staff or volunteers involved in handling cash on behalf of Moyhu Primary School.

### POLICY

#### Roles and responsibilities of staff

At Moyhu Primary School our Principal and Business Manager are responsible for managing cash at our school.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

#### Storage of cash

Monies are always to be kept in our school's secured safe at all times, day or night.

No monies are to be kept in classrooms or left at school during holiday periods.

All monies that are collected in the classroom will be forwarded to the office by the classroom teacher as soon as possible after collection.

School council approved this policy on Monday 7th March 2022 .

Money collected away from the classroom or general office is to be handed to the office on the day of receipt unless circumstances make this impracticable. Money received away from the office must be double counted at the point of collection and a control receipt issued before it is provided to the office for banking.

### **Records and receipting**

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer.

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Funds are to be banked on the days the Business Manager works.

No receipt is to be altered. Where a mistake is made approval must be sought before reversing the incorrect receipt. Copies of the incorrect receipt should be retained with details of why it was reversed.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

### **Cheques**

No personal cheques are to be cashed.

All cheques received by mail are to be processed in Cases 21 and receipted as above.

### **Fundraising**

Two parents or staff members will be designated as 'Responsible Persons' for all school fundraising events or other approved events where monies may be collected, for example, the Show Us Your Wheels Fundraiser in February or the Trivia Night in August of each year. The forms which will be completed are the Cash Handling Authorised Form Fundraising Collection.

### **Reporting concerns**

Discrepancies that cannot be accounted for must be reported to the Principal.

All cases of suspected or actual theft of money, fraud, misappropriation or corruption are to be reported to the Executive Director, Audit and Risk Division by email addressed to: [fraud.control@edumail.vic.gov.au](mailto:fraud.control@edumail.vic.gov.au)
