

OPEN DOOR POLICY

We value and pride ourselves on our partnership with families. We believe families are children's first teachers and therefore we embrace parent, guardian and family involvement within our Out of School Hours Care (OSHC) Service. Participation by parents, guardians and other family members conveys a positive impression to children and allows them to feel supported and promotes a sense of belonging. Children feel supported and a sense of belonging and well-being is promoted.

We believe in offering an open-door policy welcoming family to visit the OSHC Service when it is convenient for them.
